the quality

new
AVIATOR
Live your style

GARNISHED INSTRUMENT PANEL
Style check. You don't just check the speed and the fuel on this panel, you check it out. This elegant and distinctive Instrument Panel with garnish comes equipped with a Fuel Gauge.

SPACIOUS UNDERSEAT BOX

Your personal vanity box. 20 ltrs of space beneath the locking tilt up seat - ideal for your slim suits and pencil ties (works great for helmets too).

ELEGANT & DYNAMIC FRONT

Add a dash of chrome to your ensemble. A muscular metallic look. A stylized Halogen Powered Headlamp. The Aviator's new look is totally breathtaking.

LEGENDARY REAR

Never underestimate the importance of a good posterior. With sweeping style Side Indicators, a Body Colored Grab Rail and a Multi-reflector Tail Lamp, you'll have everyone following your trail.

GRACEFUL ALLOYS & TELESCOPIC SUSPENSION

Great style. From head to toe. Telescopic Front Suspension for smoother handling, lower vibration and stability at high speeds. Extensive, light, 12 inch 5 Spoke Alloys. For style that's truly revolutionary.

FRONT DISC WITH COMBI BRAKE

Be the show stopper. A 190mm Front Disc Brake that provides excellent control. Combi Brake technology that ensures a shorter braking distance with more stability. Now every show will have a great finish.

MAINTENANCE FREE BATTERY

Great style always works. No topping up required. No leakages assured. With it, you'll never lack the spark.

COMFORTABLE UPRIGHT SITTING POSTURE

You need good posture to carry off great style. Designed to provide a comfortable upright seating position.

TUFF-UP TUBE

Tube tops! No kidding. This Honda patented puncture resistant **TUFFUP** Tube in the rear wheel reduces the chance of a puncture to the extent of 70%*.

15% more MILEAGE*

ECONOMY

If it's not cutting edge, it's out of style. The new 110cc Honda engine gives you great power with 15% more mileage* than the previous model.
